La Maison Christian Lacroix

Dès la création de la maison de couture en 1987 par le Groupe LVMH, Christian Lacroix, son premier Directeur Artistique, jette les bases d'un style unique, exubérant, coloré et baroque qui prend ses racines dans la ville de naissance du couturier à Arles. Ses inspirations hispaniques, ses couleurs, les formes novatrices empruntés de théâtralité émerveillent et font souffler un vent de fraîcheur dans les milieux de la mode. Rapidement, ses créations, comme la jupe « pouf » sont portées par les plus grandes stars internationales, parmi lesquelles Madonna, Julianne Moore ou encore Uma Thurman. Les collections font le tour du monde et les rédactrices les plus influentes du milieu de la mode le soutiennent.

La maison prend son essor avec les premières créations de prêt-à-porter en 1988 qui reprennent les codes et les inspirations de la Haute Couture, puis les parfums et les accessoires. Les ouvertures de boutiques se succèdent et poussent la marque vers un développement et un rayonnement international.

Se succèdent des lignes de prêt-à-porter plus contemporaines, Bazar et Jeans de Christian Lacroix, portées par une approche de collections plus quotidiennes, avec des lancements de parfums en harmonie avec ces collections.

Aujourd'hui, sous une nouvelle direction artistique depuis 2010, la marque Christian Lacroix est vendue dans plus de 5500 points de ventes dans le monde, avec ses collections Mode tels que le prêt-à-porter masculin qui se développe rapidement, avec succès et avec une identité forte, la maroquinerie, les montres et les bijoux, les lunettes, les foulards, les cravates et le parfum ainsi que ses collections d'Art de Vivre tels le tissu d'ameublement, les papiers peints, les coussins, tapis, l'art de la table, les carnets et les bougies parfumées.

La Maison Christian Lacroix est résolument moderne, tournée vers un avenir où ses codes sont sans cesse revisités, son héritage sublimé.

Une représentation complète des collections Christian Lacroix peut être découverte dans la boutique « Mix and Match » de la Place Saint Sulpice à Paris.

The Christian Lacroix brand

Since the creation of the fashion house in 1987 by LVMH, Christian Lacroix, its then Artistic Director, lays the foundation for a colorful and exuberant baroque unique style, rooted in his birthplace of the city of Arles. Its Hispanic inspirations, colors, innovative forms borrowed from theatrical make a sensation and are a breath of freshness in the fashion circles. Quickly, his creations, like the skirt "pouf" are carried by the biggest international stars, including Madonna, Julianne Moore or Uma Thurman. Collections are presented around the world and the most influential writers of the fashion support them.

The house took off with the first collections of ready-to-wear in 1988, which included the codes and inspirations of Haute Couture, and with the launch of perfumes and accessories. Store openings followed and fueled the brand to development and international influence.

Successive lines of more contemporary ready-to-wear, Bazar and Christian Lacroix Jeans, were driven by an approach of more daily collections with the launch of perfumes in harmony with these collections.

Today, under a new artistic direction since 2010, the Christian Lacroix brand is sold in more than 5500 selective outlets worldwide, with collections of products as varied as men's ready-to-wear, which is developing with success and with a strong identity, and diversified collections of products such as leather goods, watches, jewelry, sunglasses, scarves, ties and fragrance. In the world of Home décor with collections of upholstery fabric, wallpapers, cushions, rugs, porcelain tableware, notebooks and scented candles.

The Christian Lacroix brand subsists through timeless values. The result is a fabulously richly entwined universe, which can be continually reinterpreted, re-mixed and illuminated. The Christian Lacroix brand is fundamentally contemporary and dynamic.

A complete representation of the complete universe of products of the Christian Lacroix brand can be found in the store "Mix and Match" Place Saint Sulpice in Paris.
